TUITION FEES IN ADVANCE

The payment of one tuition fee instalment in advance applies to all new students entering the School. In normal circumstances this fee is payable in the October prior to commencement. For enrolments finalised after October, the fee is payable immediately.

As a consequence of this advance tuition fee payment being made, no fee billing is made in the October of the student's final year.

SIBLING DISCOUNT

Applicable to families with more than one child attending the School, except when a student is in receipt of scholarship or bursary benefits.

The sibling discount for tuition fees is calculated at the rate of 5% for the second child and 10% for the third and subsequent children.

NOTEBOOK COMPUTER PROGRAM

The School requires all students in Years 5 to 12 to have notebook/netbook computers. The School has a competitive arrangement with its corporate partners for the purchase of notebooks.

EARLY COMMENCEMENT PROGRAM

Students in Years 8 to 12 begin their academic year in mid-November. Students entering the School for the Early Commencement Program are charged an additional amount of \$500 for that period.

Details of the Cancellation Policy for the Outdoor Education program are contained in the Business Notice.

The composite fee excludes all non-compulsory items such as specific Round Square camps/conferences, music camps, any specific additional IB program costs, cadet camps, sporting tours and optional curricular and co-curricular activities.
