IVANHOE GRAMMAR SCHOOL

SHOWJUMPING RULES

INTERSCHOOL GRAND PRIX COMPETITION

The Interschool Grand Prix is based on FEI Articles 261 (5.2) and 273. The competition is designed to encourage better jumping by making performance over obstacles the principle factor. The competition consists of two rounds, plus a jump off for a limited number of riders.

ROUND 1

- All riders take part in Round One with ten, eleven or twelve obstacles, including at least one combination.
- All obstacles are at the Interschool Grand Prix "Starting Height" applicable to the Interschool Level (refer Interschool Heights Table above) - except for the first fence and the first fence of the first combination which may be 5cm lower than the "Starting Height".
- The "Time Allowed" is calculated using a speed of 275m/minute for Primary Level 1 & 1P, 300 m/minute for Improvers Level 2 & Progressive Level 3 and 325 m/minute for Advanced Level 4 & Stars Level 5.
- Time penalties apply if the "Time Allowed" is exceeded (1 penalty per four seconds or part thereof).
- The "Time Limit" is twice the "Time Allowed". Any rider exceeding the "Time Limit" is eliminated.

ROUND 2

- All riders, including those who have been eliminated or who have retired during Round One, may take part in Round Two.
- Riders ride the same course with the same obstacles, in the same draw order, as for Round One
- All obstacles in Round Two are raised 5cm. Time penalties again apply.

JUMP OFF

- The top 25% of the field will participate in the jump off.
- All riders who have ridden two clear rounds, plus others with the least number of penalties to make up the numbers as above
- The Jump off will consist of a minimum of six obstacles, including a combination.
- All obstacles in the jump-off are raised a further 5cm.
- Riders in the jump off will ride in reverse order to their aggregate penalties. If penalties are equal, their time incurred in Round Two will be included.

PLACINGS

- Riders who take part in the jump off are placed according to their aggregate penalties, including their penalties in Round One and Round Two which are carried forward into the jump off. If penalties are equal, their time incurred in the jump off will be included.
- The remaining riders are placed according to their aggregate penalties in Round One and Round Two. If penalties are equal, their time incurred in Round Two will be included.
